

Northwest Colorado Legal Services Project (NCLSP)

Contact us: 800-521-6968

Serving individuals in the following counties:

Clear Creek, Eagle, Grand, Gunnison, Jackson, Lake, Moffat, Pitkin, Rio Blanco, Routt and Summit counties.

The Northwest Project may be able to help with:

- Family law cases including Petitions for Civil Protection Orders, Dissolution of Marriage (divorce) and Allocation of Parental Responsibilities (custody) cases
- Elder law cases including Wills, Powers of Attorney
- Other emergency or serious legal matters

We help by providing legal advice, help with drafting of papers, or representation in court. Not every case is referred to a volunteer attorney for representation because we have a small number of attorney volunteers. We have limited resources which means that we can't always help everyone who applies.

Record Sealing:

We can help if you live in or have criminal records in these counties:

Archuleta	Garfield	Mesa	Rio Blanco
Baca	Grand	Moffat	Routt
Bent	Gunnison	Montezuma	San Juan
Chaffee	Hinsdale	Montrose	San Miguel
Cheyenne	Huerfano	Morgan	Summit
Clear Creek	Jackson	Otero	Washington
Crowley	Kiowa	Ouray	Yuma
Delta	La Plata	Park	
Dolores	Lake	Pitkin	
Eagle	Las Animas	Prowers	

- Your criminal records must be held by Colorado courts or agencies
- If you want to expunge your criminal record in a juvenile case, you will need to give us a copy of your juvenile criminal record (we can get adult records, but juvenile records are confidential)
- Your case must be closed or dismissed before you can petition the court to seal your record
- Sealing a record will not let you carry/purchase a gun if you lost that right in the case you want to seal.
- You can seal a record even if you still owe court fines or fees, but not if you owe money to the victim (restitution) that the court ordered you to pay.

- If you lost your right to vote because you were convicted of a felony, you will AUTOMATICALLY get back your right to vote once you have served all of your prison or jail sentence.
- We will review your record, let you know if you can petition the court to seal or expunge your record, and provide the court forms that you need to file to seal your record. You will have to file your case and go to any court hearings that might be held in your case.
